COMPANY OVERVIEW

A and E Construction, LLC is a distinguished general contractor with **26+ years** of combined experience. As a 100% minority-owned firm, we deliver commercial and residential renovation, modular construction, and historical preservation across the Washington–Baltimore corridor.

CORE COMPETENCIES

- **General Contracting.** End-to-end solutions for projects of varying scale and complexity.
- **Renovation Construction.** Commercial and residential renovations delivered to a high standard.
- **Construction Management.** Coordination, communication and oversight across the whole project.
- **Project Management.** Strategic planning and attention to detail for timely completion.

WHY A&E

- **Timely execution.** Efficient delivery on strict timelines, never at the cost of quality.
- **Attention to detail.** Every detail checked so each project meets the highest standard.
- **Local commitment.** Based in Washington, DC, and invested in its community.
